Tel: (01603) 414104

We would like to express our grateful thanks to everyone involved with Norfolk Mini Owners Club for the wonderful donation of £200 recently presented to Carol Bundock. We would like to pass on our particular thanks to Louise for nominating our charity to receive half of the funds raised in memory of her husband; it is so very kind of her to think of supporting us at such a difficult time.

During 2009 we worked with 208 bereaved children and young people and were kindly supported by a pool of 30 trained volunteers. Our 'Smiles Appeal' launched on 21st April, where we are hoping to raise £350,000 to build our own eco friendly home. Look out for our articles in the EDP and for updates on our website.

Your support is extremely valuable and will help us to continue providing a service to bereaved children living in Norfolk.

Yours sincerely,

Kim Chase
Office Manager
